Sports Premium Funding at Layfield Primary School

Introduction

The Primary PE and Sport Premium was launched by the Government in April 2013 and is available for three academic years: 2013/14, 2014/15 and 2015/16. It is ring-fenced funding to be used by the school to improve the quality and breadth of our PE and sport provision. In academic year 2013/14, our school received £8,615.
