

Layfield Primary School

Sports Funding ~ September 2014 - July 2015

Sports Premium Funding at Layfield Primary School

Introduction

The Primary PE and Sport Premium was launched by the Government in April 2013 and is available for three academic years: 2013/14, 2014/15 and 2015/16. It is ring-fenced funding to be used by the school to improve the quality and breadth of our PE and sport provision. In academic year 2014/15, our school received £8525 plus carry forward from previous year £879 = £9404.

Priorities

Having undertaken staff discussions and an audit, and listened to pupils' and parents' views, we have allocated the funding to the following priority areas. We have 4 new teacher's joining our team this year, 3 of which are NQT's.
