

Dear Parents/Carers,

**Friends of Layfield** are Layfield Primary School's PTA, we are currently made up of a small group of parents and teachers.

**We raise funds for our school by hosting events.**

With the funds raised from last years events we were able to contribute towards a variety of resources and experiences for the children and teachers, these included:

- **School trips** for all years. Including Petmania, Eden Camp and Eureka.
- **iPads** were purchased for the Early Years Team, this allowed them to set up Tapestry, this is an online journal which can be used to record all the learning and fun of children's early years education.
- Attendance and behaviour **rewards and badges**.
- Year 6 **leavers gifts** and party.

The first events of the current school year have just taken place.

We had a fantastic evening of Magic and Mystery with the Middlesbrough Circle of Magicians, our annual Macmillan Coffee Morning was a huge success thanks to all the wonderful cake donations and the first disco of the year, our Glow Disco was enjoyed by all who attended.

In December we are planning to have a **Christmas Disco** and **Christmas Fayre**, keep an eye out for letters and posters about these upcoming events.

Our events are only successful with the support that we have from those who attend, volunteer and donate. We would like to say a huge **thank you to everyone** for their continued support and we look forward to seeing you at our future events.

Information about future events can be found on the school website [www.layfieldprimary.org.uk](http://www.layfieldprimary.org.uk) and our Facebook page - 'Friends of Layfield events page'

**We are always looking for volunteers to help out at our events**, if you can spare some time for any of our events please contact us via the Facebook page or the school office.

Many Thanks.

Friends of Layfield.
